Attachment name:

Transfer fee

The transfer fee of 3 500 SEK (or € 375) will be charged on registration of application. An onsite inspection may also be required and Nordic Ecolabelling reserves the right to charge time and expenses that might ensue.

Licence holder's undertaking

We hereby transfer the right to the above-mentioned licence.

Authorized signatory* (current licence holder)

Printed name:

**If the signatory is not an authorized signatory, a power of attorney confirming that the signatory is entitled to apply shall be enclosed.*

Applicant's undertaking

We are well acquainted with the "Regulations for the Nordic Ecolabelling of Products", the "Fee regulations for Nordic Ecolabelling" and the "Guidelines for using the Nordic Swan Ecolabel". If our application for a Nordic Swan Ecolabel licence is granted, we undertake to follow its rules as well as the Nordic Ecolabelling criteria and other regulations of which the Nordic Ecolabelling organization may inform us.

We thus undertake to follow the above-named regulations and:

- to satisfy current regulatory requirements on the exterior and interior environment in all production and handling of the product.
- to use the Nordic Swan Ecolabel only on products that satisfy, in all respects, the requirements in the current Nordic Ecolabelling criteria.
- to use the Nordic Swan Ecolabel only on products included in our licence.
- to use the Nordic Swan Ecolabel in accordance to Section 7 of the "Regulations for the Nordic Ecolabelling of Products" and the "Guidelines for using the Nordic Swan Ecolabel".
- to provide factual information on the significance of Nordic Ecolabelling in product advertising and marketing material.
- to pay the set fees to the Nordic Ecolabelling organization and other costs in connection to our application for a Nordic Swan Ecolabel licence and the inspection and testing on Nordic Swan Ecolabelled products which are demanded by the Nordic Ecolabelling criteria in question or other regulations.
- to supplement the application with documentation regarding particular national requirements if the product is to be marketed in countries other than those specified at the time of application.
- to indemnify in full the Nordic Ecolabelling organization in the event of claims or other financial expenses incurred by the Nordic Ecolabelling organization as a result of damage caused by the product manufactured and/or sold by the licensee, including faults and defects in the product itself.
- to use the Nordic Swan Ecolabel only while the associated licence is valid.
- to immediately report any product or market changes that affect the issued licence, to the Nordic Ecolabelling organizations where the product/service is sold.

The agreement, permitting the use of and reference to the Nordic Swan Ecolabel, is concluded when a licence is issued by the Nordic Ecolabelling organization.
