2. Create your renewal application request.

Please click Application and View application and select the application with Type Renewal you would like to renew.
2. Create your renewal application request.

Select the application you would like to renew by clicking the blue **ID Number** link and open the renewal application.
2. Create your renewal application request.

The **Renewal Licence No** you find in **Applicant’s naming of application**, can be changed to a suitable application name for your company.

Please use **Applicant’s description** to describe your application.

Enter the name of the production site.

Also specify if there is any information we need to add to the invoice for your company.
2. Create your renewal application request.

Please select a Primary Application Contact who is assigned responsibility for this specific application.

Then select a Primary Licence Contact. It could be the same individual or someone else who is responsible for all the licences on your company’s portal account.

If a contact in your company is missing from the list, please select Contacts in the top menu and then select Add contacts.
2. Create your renewal application request.

Please, select a **Marketing Contact**, who is responsible for your use of the Nordic Swan Ecolabel when you have received a license.

Then select a **Finance Contact**, responsible for reporting the annual turnover of the products included in your licences.

Select the currency for your invoice in the **Currency** field.

Do not fill in the **Estimated Annual Turnover** fields.
2. Create your renewal application request.

Please read the Regulations carefully.

Then tick the boxes to confirm that your company accepts and complies with them.

The **Sign & create application** button becomes dark green and activated when both boxes are ticked.

Click **Sign & create application** to continue.
2. Create your renewal application request.

The renewal application request is now created and provided with an Application ID Number and an Application status.

The application is sent to Nordic Ecolabelling and the application fee will be invoiced.

Click Continue application to proceed.

Please note!

The number separator must be a decimal point. Don’t use decimal comma.
